## SECOND PRELIMINARY AMENDMENT

Hon. Commissioner of Patents  
Washington, D.C. 20231

Sir:

Please cancel all pending claims herein without prejudice and substitute replacement claims 43-93 as follows:

- Handwritten: 43-93*
- 43. A form having a removable piece attached thereto by a magnetic system comprising:
- (a) a magnetic assembly having a depth-of-pull sufficient to cause the removable piece to begin to seek home at a distance from the form of at least about one inch, said magnetic assembly being positioned on said form or said removable piece; and
  - (b) an attracted material positioned on the other of said form or said removable piece so as to mate with said magnetic assembly.
- Handwritten: 44*

The form of claim 43 wherein said depth-of-pull is sufficient to cause the removable piece to begin to seek home at a distance of more than about three-fourths of an inch.
